SRI A. LAKSHMISAGAR. —Sir, I should like to bring two points to the notice of the Government. Firstly, the funds granted to C.S.I. hospital authorities are not being properly used as a result of interference by the Church directly with the management of the hospital authorities. This is the main point. The hospital management has nothing to do with the Church. Unfortunately, the Church appears to be having control over the use of fund and the result is misunderstanding between the management and the Church. Account has been frozen by the Church and as a result the staff is not getting its salary properly in time. Secondly, on 4th December 1980, a group

of armed hooligans entered the hospital premises and created law and order problem. It is stated that they have damaged the costly equipments disturbing the peace of patients by entering the ward thereby giving room for suspicion that strong arm methods are being used by the Church to scuttle the administration of the hospital. This is the second point to which I want the Hon. Minister to look into the matter and see that the hospital management is not interfered with by the outside agency. If the outside agency has any legal claim or any legally tenable claim of exercising its control or management over the management of the hospital, let them settle the matter in the court. But, what has actually happened is, armed men have entered the hospital and assaulted the very eminent doctors and other members of the staff. They have created a law and order problem in the hospital and premises in the wards. They have broken the window panes they have damaged the property. This is actually coming in the way of normal functioning of the C.S.I. Hospital. This is the main problem. Is that the funds.....

MR. DEPUTY SPEAKER.—Under the calling attention notice, there is no scope for elaborate discussion. Please be brief.

SRI A. LAKSHMISAGAR.—I am not elaborating. I will conclude soon. So, as a direct consequence, the funds of the hospital have been forzen. Therefore, the authorities and the management of the hospital have not been able to pay and honour their commitments towards their employees. This is the problem. Sir, all that the Hon, Minister would say is, I am not aware of it. He might say like that. But, I should like to tell him, this is the right time for him; he can exercise his supervisory powers and see that such things do not occur there and if there is any dispute between the management and the Church it can be settled elsewhere on a different forum This is the thing which requires kind attention of the Hon. Minister.

SRI WILLIAM ST. JOHN SINCLAIR MARLAY.—Sir, there are two points raised by the hon. Members. I would like to make it clear that Churches in India are totally responsible for the management of C. S. I. hospitals. There is no doubt about it. But, I would like to give the Members a background that the money to build Churches was donated by the donars from abroad. At that time the Churches were never worried with Dr. (Miss) Benzemin Issac Smith. Now that the hospital is raised and things are going smoothly. Just I do not know why the Church is interfering with the management of the hospital. What my friend Sri Lakshmisagar has said is correct that nothing else but a batch of goondas went over

there. They have now brought an injunction against the hospital freeting the hospital assets. For what reason, I do not know. I understand that the Moderator ofthe Church of SouthIndia met the Hon Minister for Health two weeks ago and told him that the certified accounts of the Hospital upto 31st March 1980 have been accepted by the donars. Now. what should be done is. the Superintendent of the Hospital should be really given a free hand to run the hospital. We should not have the interference of any people who think today that they are the great people who could rule the country just by goondaism. I appeal to the Hon. Minister to see that the matter is settled because one will bring injunction against this Hospital from Tumkur and when this is vacated, another will bring injunction against the Hospital; when it is vacated some other will bring it from Tiptur, Is this is the way that we people have to behave ? Is it so simple for anybody to bring an injunction ? And then you have to go through the whole rigmorale to have the injunction vacated. I am involved in one case. I am speaking from my experience. This type of non-sense is going on.

12-00 Noon

It is nothing else but absolute nonsense and I think, the authorities in the Hospital should be given the full right and permission to operate.

Thank you Sir.

† SRI C. M. ARUMUGHAM (K. G. F.).—Mr. Deputy Speaker Sir, the C. S. I. Hospital is one of the best hospitals in our State. This hospital can be compared with that of C. M. C. Hospital at Vellore. Sri Benzamin Issac is one of the best Surgeons in our State. He has saved so many lives and the people need his services. Sir, it is said, 'The Priest cannot become a Doctor, but the Doctor can become a Priest'. Sir, here the quarrel is between the Hospital authorities and the Church authorities. The Church authorities have occupied the place of the Hospital and wants to make use of the fund of the said Hospital for the Church activities. I say, It cannot be. It is prohibited. The Church authorities can get funds from America, East Germany West Germany etc. But, the hospital fund cannot be and shall not be diverted for the activities ofthe Church. Sri Benzamin Issac is solely responsible for the construction of this hospital as well as to bring sophisticated instruments in the hospital. Sir, if you could find some time, kindly visit this CSI hospital and see the beautiful X-ray Plant. Then, you must also see the X-ray Plants in our Victoria Hospital and Bowring Hospital. The patient himself can

see, what is going on in the TV nearby. I know a person, a worker in KGF brought an injunction order against Sri Benzamin Issac to see that he shall not function. He said to me, Sir, some Priest, the man in-charge of the Church asked me to bring an injunction order. I have seen that Hospital whose surrounding area is full of poor people, with the have-nots. They are getting the treatment in this Hospital. Sir, by preventing it, they are depriving the treatment to the poor people residing in the surrounding area of the hospital. Once, the former Chief Minister Sri D. Devaraj Urs after visiting this Hospital, agreed to give some more lands for expansion and development work. Even the present hon. Chief Minister could visit the said hospital, I am sure that, he would concede with the former Chief Minister in granting lands for this Hospital. They are doing yeoman service to the society. I would strongly urge the Government to take action against all those who interfere in the day-to-day functions of the hospital. We want the hospital to serve for the cause of the poor people. The Government must also write to the CSI or whichever the higher authority that they shall not interfere with the day-to-day functions of the hospital authorities. I request the hon. Minister for Health to do the needful in the matter.

ಶ್ರೀ ಡಿ. ಟಿ. ರಾಮು (ಚನ್ನಪಟ್ಟಣ) ಮಾನ್ಯ ಅಧ್ಯಕ್ಷರೇ. Church of South India Hospital ಬಗ್ಗೆ ತಂದಿರುವ ಗಮನ ಸೆಳೆಯುವ ಸೂಚನೆ ಮೇಲೆ ನಾನು ಕೆಲವು ಮಾತುಗಳನ್ನಾಡುವುದಕ್ಕೆ ಇಷ್ಟಪಡುತ್ತೇನೆ. ಈ ಆಸ್ಪತ್ರೆಯಲ್ಲಿ ಶ್ರೀ ಬೆಂಜಮಿನ್ ಐಸಾಕ್ ಅವರು ವೈದ್ಯರಾಗಿದ್ದಾರೆ. ಅವರು ಬಹಳ ಮೇಧಾವಿ ವೈದ್ಯರು, ಮಾನವೀಯತೆಯನ್ನಿಟ್ಟುಕೊಂಡಿರುವ ವೈದ್ಯರು, ಆದರೆ, ದುರ್ದೈವದ ವಿಚಾರವೆಂದರೆ, ಆಸ್ಪತ್ರೆಯ ದಿನನಿತ್ಯದ ವ್ಯವಹಾರಗಳಲ್ಲಿ Church of South India ಮಂಧ್ಯೆ ಪ್ರವೇಶ ಮಾಡಿ, ಗಂಭೀರ ಪರಿಸ್ಥಿತಿಯನ್ನು ಉತ್ಪನ್ನ ಮಾಡಲಾಗಿದೆ. ಗುಂಡಾಗಳನ್ನು ಬಿಡುವುದು; ಅಲ್ಲಿ ಬರತಕ್ಕ ಹಣವನ್ನು ಲಪಟಾಯಿಸುವುದು, ಜೊತೆಗೆ ರೋಗಿಗಳ ಮೇಲೆ ಕ್ರೂರ ದೃಷ್ಟಿ ಬೀರುವುದು ಇದೆಲ್ಲಾ ಅಲ್ಲಿ ನಡೆಯುತ್ತಿದೆ. ಅದರ ಬಗ್ಗೆ ಮಾನ್ಯ ಸಚಿವರು ತೀವ್ರವಾಗಿ ಗಮನ ಹರಿಸಬೇಕು. ಅಲ್ಲಿರುವ ವೈದ್ಯರು ದಕ್ಷರು. ಆ ಆಸ್ಪತ್ರೆಯ ಒಂದು ಶಾಖೆ ನನ್ನ ಕ್ಷೇತ್ರದಲ್ಲೂ ಉಂಟು. ಅಲ್ಲೂ ಸಹ ಆಸ್ಪತ್ರೆ ಚೆನ್ನಾಗಿ ಕೆಲಸ ಮಾಡುತ್ತಿದೆ. ನಾನು ಅನೇಕ ಬಾರಿ ಡಾಕ್ಟರ್ ಬೆಂಜಮಿನ್ ಅವರ ಜೊತೆಯಲ್ಲಿ ಮಾತನಾಡಿದ್ದೇನೆ. ಆ ಸಂದರ್ಭದಲ್ಲಿ ಅವರ ಭಾವನೆಗಳನ್ನು ಚೆನ್ನಾಗಿ ಅರ್ಥ ಮಾಡಿಕೊಂಡಿದ್ದೇನೆ. ಅವರ ಮನಸ್ಸಿಗೆ ಯಾತನೆಯನ್ನುಂಟು ಮಾಡತಕ್ಕ ಸನ್ನಿವೇಶ ಉಂಟಾಗದಂತೆ ಮಾನ್ಯ ಸಚಿವರು ಇದನ್ನು ಗಂಭೀರವಾಗಿ ಯೋಚನೆ ಮಾಡಬೇಕೆಂದು ಹೇಳುತ್ತೇನೆ.

SRI WILLIAM ST. JOHN SINCLAIR MARLAY.—Sir, I just want to clarify one point here. The hon. Memher Sri C. M. Arumugham said that the CSI is wanting to use the funds of the hospital. It is absolutely and totally wrong. They are just wanting. They are not using the funds generated in the hospital for the activities of the Church.

SRI P. N. REDDY.—They are charging Rs. 10 *per bed.*

SRI A. K. ABDUL SAMAD.—Mr. Deputy Speaker Sir, the hon. Members Sri P. N. Reddy and Sri D. T. Ramu have asked to furnish the information only in respect of the grant given and the hardship caused therein. Regarding the internal affairs. I know some details. We have furnished the information regarding the utilisation of grant for which they have asked. The grant in respect of Nurses has been utilised for the purpose intended. In respect of the Family Planning Programme, they have got two urban centre. and they have been utilising the grants for the appropriate purposes With regard to the internal affair, as the hon. Members Sri A. Lakshmisagar and Sri Arumugham said, it is a fact that they have some problem between the Churches and the Management. The Church authorities have gone to Ramnagaram and have brought a stay order from the Munsiff Court. At Channapatna, they have CSI hospital which is supposed to be the cantrolling body for this Bangalore hospital. The Superintendent Dr. Benzamin Issac had to rush again to Ramnagaram to attend the Court. Later on, I had a discussion with the Bishop, who controls them from Madras. He explained to me regarding the problem. The hon. Member Sri Lakshmisagar said that the Church authorities brought some goondas etc., I think, to an extent is a fact The Bishop told me that he will have a meeting with Fathers and priests and try to solve this problem at the earliest. With regard to the mis-utilisation of funds meant for the hospital for some other missionary activities, I will have to agree with the contention of Sri William Marley since the funds generated and meant for the hospital are being utilised for the hospital activities only. The only problem is that their bank accounts have been frozen due to their internal quarrels, which is causing little tnconvenience. Again, I will use my good officee to solve this problem also. Sri Reddy, the hon. Member said that they are charging Rs. 10 per bed ete., It is a private hospital, they have to charge unlike oiher hospitals. Whether they are charging exhorbitant or nonmal is a different issue. Since it is a private hospital, they have to charge. The Government does not give any aid to them. The Government aid is confined only for training purposes.

But in respect of internal problem I will use my good offices to see that congenial atmosphere is brought. Dr. Benjamin is a good person and he is doing good service.

ಶ್ರೀ ಪಿ.ಎನ್. ರೆಡ್ಡಿ.—ಸ್ವಾಮಿ, ನಾನು ಹಣದ ದುರುಪಯೋಗದ ಬಗ್ಗೆ ಕೇಳಿರಲಿಲ್ಲ. ಸರ್ಕಾರಕ್ಕೆ ಬರತಕ್ಕ ಹಣ ಸರಿಯಾಗಿ ಉಪಯೋಗವಾಗುತ್ತಿಲ್ಲ, ಅದು ಬ್ಯಾಂಕಿನಲ್ಲಿ ಹೆಲ್ಡಪ್ ಆಗುತ್ತಿದೆ. ಕೇಂದ್ರ ಸರ್ಕಾರದಿಂದ ಬರತಕ್ಕ ಪಣ ಹಾಗೂ ಇನ್ನಿತರ ಭಾಗಗಳಿಂದ ಬರತಕ್ಕ ಹಣವನ್ನು ನೇರವಾಗಿ ಆಸ್ಪತ್ರೆಗಳಿಗೆ ಹೋಗುವಂತ ವ್ಯವಸ್ಥೆ ಮಾಡಿದರೆ, ರೋಗಿಗಳಿಗೆ ಅನುಕೂಲವಾಗುತ್ತದೆ.

SRI A. K. ABDUL SAMAD.—We have utilisation certificates. But if there is anything I will get it examined.

DY. SPEAKER.—Sri C. M. Arumugham to call the attention of the Minister for Health and Family Welfear to the lightening strike on 7th March 1981 by the doctors, nurses and other employees of the General Hospital, K.G.F.,

Re,—(iii) Lighte ning Strike on, 7-3-1981 by doctors nurses and other employees of the General Hospitai K.G.F.

SRI C. M. ARUMUGHAM.—Sir, I call the attention of the Minister for Health and Family Welfare to the lightening strike on 7th March 1981 by the doctors, nurses and other employees of the Generale Hospital K. G. F.,

SRI A. K. ABDUL SAMAD.—Deputy Speaker, Sir, I wish to make the following statement.

On the morning of 3-3-1981 one male patient was brought to the Civil Hospital, K.G.F. Dr. Lingaiah, M. D. was on duty on that day. He has admitted the case and labelled it as a case of heart attack and necessary treatment was recorded in the case sheet. Dr. Lingiah's duty was over by 12 noon. Dr. G. Dharmapalan, M. He has attended and seen the patient and after advising necess ary treatment he has gone to the duty room.

In the afternoon, the patient became serious and expired. The agitated gang entered into duty Doctors room where Dr. Dharmapala was on duty and assaulted him. This gang ac ording to the information was led by one Sri. Nazeer.

Dr. Dharmapalan lodged a complaint with the local polic authorities about the ass ult while he was on duty and also informed the District Surgeon. The Dist. Surgeon has also contacted the Superintendent of Police who has assured the District Surgeon that suitable action will be taken.

The Superintendent of Police has further assured the District Surgeon that he will take suitable action in the matter. At present, the situation is peaceful.
